TrialMatch

- Alzheimer's Association TrialMatch® is a free, easy-to-use clinical studies matching service that connects individuals living with Alzheimer's disease, caregivers, and healthy volunteers with current research studies.
 - https://www.alz.org/alzheimers-dementia/research_progress/clinical-trials/trialmatch
 - As a result of COVID-19 related challenges, some clinical studies may be paused or operating in a limited capacity. Many of these trials are still recruiting participants. Individual studies will update you on their status.
